## 100 PLUS!

We at HHOV want to thank YOU! We began with a vision in October of 2019 and began executing that vision in January 2020. There were quite a few bumps in the road, and it is a learning experience, but on February 28<sup>th</sup> we reached 100 members in our Facebook group alone and have now surpassed that! Together we are uniting our community one helping hand at a time. BIG things are coming, so keep an eye out in the group or sign up on the website to get email alerts. We are looking into obtaining our 501(c)(3) license and will be seeking members to take on rolls in different areas.

## CLEAN CLOTHES FOR A CLEAN START

Founded December of 2016, Laundry Love Citrus Heights does laundry for people who are struggling financially. For those living in poverty, washing clothes presents both a logistical problem and a financial hardship. Saving over \$20 per visit, guests can apply their savings toward food, gas, medicines, and other essentials. More than that, they collect clothing donations for those who may need them. At times, coming in with only what is on their back and walking out with a clean, fresh outfit can make a huge impact, giving a sense of pride like no other. Each guest also gets snacks, makes friends and builds confidence. Services are available on the second Saturday of each month from 8 am to 11 am at: Paradise Coin Wash (7345 Greenback Lane Citrus) You can find more information at <https://www.laundrylovech.org/>

## DO-GOODER HIGHLIGHT

The first HHOV job was completed and it was pure joy for all those involved. A request came in about a fence having gaps so a small dog could escape. Electrician by trade, but master fixer for fun, Eric Manhart jumped into action and fixed the gaps. He is making plans with the homeowner to make a more permanent resolution. “It was really a great feeling to get out there and help and she was such a wonderful and sweet person. I couldn’t be happier”, said Manhart. You can see him in action on the Helping Hands OV YouTube channel as well as the homeowner’s reaction to the experience. Thank you, Eric, for lending a Helping Hand in our community!
